

# How to Prepare to Leave Your Diabetic Pet with a Pet Sitter

When you are preparing to leave your diabetic pet it's important that we have the following information. Here's a handy checklist to make sure you have done everything and a convenient place to write everything down to help you keep track.

Does your pet sitter have all your veterinarian information?

---

---

---

Do we have feeding instructions with contingencies?

---

---

---

Have you told us about normal animal behaviors?

---

---

---

Do we have up-to-date contact information with the best way to reach you?

---

---

---

Have you given your veterinarian permission to speak with us?

---

---

---

Do we have up-to-date contact information for your veterinarian?

---

---

---
